“ *Alice was such a great lady. She was such a good friend to mother, a wonderful teacher for Kelly and such a pleasure to be around. We have many fond memories of the entire Foster family. Daddy loved fishing with your dad. All 4 of our parents are gone now but we know they are meeting up and having a great reunion with others who were so important in our growing up years. God Bless you, Foster Family.*

“ Your Mom was my favorite teacher! She has been one I have tried to keep in touch with through the years. I would usually see her at the brunch (for the museum) or at something Aunt Niece and Uncle Charlie had going on. She touched the lives of so many students, she will live on in her good works. She was a very special lady and will be missed.

“ Alice, you were respected and loved by so many adults and children. You were the teacher every parent wants their child to have and the neighbor everyone wants.
Every time I read this statement I think of you:
"To the world you may be one person,
But to a child you may be the World"
Thank you for all you did and know you will be missed very very much.
Lacretia and Reggie know that I thought your mother was a very precious person.
The greatest friend, neighbor and teacher I have ever known. She will be missed by so many.
My thoughts and prayers are with you all. Wish I could be there but it was just not possible.
She is now a rose in God's garden. And I know that she and your dad are both holding hands looking down upon all of you today....
Love you, Barbara

“ *Lacretia,*

I loved your mother as a teacher and as a friend. I would always run into her at different functions when I would be in Jacksboro. I always enjoyed catching up with her. She and Ophelia sat with my sister's and I when my dad was so sick and we had the best time reminiscing. I will never forget them for that. Both your parents were great people. I am sorry for your loss and will continue to keep you all in my prayers.

*Love always,
Julie*
