“ We are so sorry for your loss. Allison was a very sweet girl. We got to know her a few years back. She was dating our son Colton. Just remember that God has a plan. There is a reason he wanted Allison with him. Turn to God's Word for your comfort. We have and will continue praying for your healing.

Sincerely,

William and Monette Burris

“ I can't believe I am just now coming across this terrible news. I loved Allison more than I can possibly explain. She was always there for me when I needed her and then one day she wasn't. I didn't know what had happened. but after a year I searching for her I finally found her. Allison was the one who pulled me through the hard times, but this is the hardest time of all... Allison, I need you. I love you. -Michelle
