“ To my friend and fellow employee. I will truly miss the smile you brought to me, my family and your coworkers each and every day. You had that something special that always lit up a room and made the day brighter just by knowing you. Keith was definitely a Reason for Being and a Reason for Living. We will miss you and I know God is watching over your family in their time of loss, because I know he has truly blessed me and my family with your life. You will be in our hearts and mind and we will never forget you, Love you always.

“ Keith,

I'm sorry that I did not get to know you, except through your Dad. I'm sorry for his loss and the loss to all of your family. I pray that you rest in peace, and know that YOU will be missed, and a great void will never be filled in the hearts of your Dad and Mom, who both love you very much. Take this note, rest in peace and may the love of God see you, lead you through the gates of Heaven. JIM

Jim Mercer - February 25, 2008 at 12:00 AM

“ To my dearest family, some things I'd like to say...
but first of all, to let you know, that I arrived okay.
I'm writing this from heaven. Here I dwell with God above.
Here, there's no more tears of sadness; here is just eternal love.

*Please do not be unhappy just because I'm out of sight.
Remember that I'm with you every morning, noon and night.
That day I had to leave you when my life on earth was through,
God picked me up and hugged me and He said, "I welcome you."*

It's good to have you back again; you were missed while you were gone.

*As for your dearest family, they'll be here later on.
I need you here badly; you're part of my plan.
There's so much that we have to do, to help our mortal man."*

*God gave me a list of things, that he wished for me to do.
And foremost on the list, was to watch and care for you.
And when you lie in bed at night, the day's chores put to flight.
God and I are closest to you....in the middle of the night.*

*When you think of my life on earth, and all those loving years
because you are only human, they are bound to bring you tears.
But do not be afraid to cry; it does relieve the pain.
Remember there would be no flowers, unless there was some rain.*

*I wish that I could tell you all that God has planned.
But if I were to tell you, you wouldn't understand.
But one thing is for certain, though my life on earth is o'er.
I'm closer to you now, than I ever was before.*

*There are many rocky roads ahead of you and many hills to climb;
but together we can do it by taking one day at a time.
It was always my philosophy and I'd like it for you too...
that as you give unto the world, the world will give to you.*

*If you can help somebody who's in sorrow and pain,
then you can say to God at night....."My day was not in vain."
And now I am contented....that my life has been worthwhile,
knowing as I passed along the way, I made somebody smile.*

*So if you meet somebody who is sad and feeling low,
just lend a hand to pick him up, as on your way you go.
When you're walking down the street, and you've got me on your
mind;
I'm walking in your footsteps only half a step behind.*

*And when it's time for you to go.... from that body to be free,
remember you're not going.....you're coming here to me.*

“ I am doing this for the sake of myself and for all of you who knew Keith, and to let you know if you didn't know him, you really did miss out. He is really the guy, that no girl deserved. A prince, a gentleman, a hard worker that loved his job, an uncle, a brother, a son, one of my very best friends. He came to me in time of need, and listened to me when I needed him. I will miss coloring his hair crazy colors, cutting his hair, and just seeing those sky blue eyes. He really could light up any room. I hope that people everywhere learn to love everyone like Keith did. He always gave everyone a chance. If more people would do that, the world could be a better place. Bless all of you.

I love you bro.....we will miss you.

“ To all of Keiths family, I just wanted to let you all know that he will be missed terribly. He was the greatest guy I ever met and even in out short time of dating he was so easy to fall in love with. His big beautiful blue eyes and his great smile would make any girl melt and i was lucky enough to have the priviledge of a guy like Keith love me. He will always be remembered as a friend, a boyfriend, acquaintance and anything else that falls under that category. I just wish we could have finished what we started. I thank God every day for that opportunity though because he showed me how to live my life to the fullest. Thank you. I love and miss you Keith. You will always be remembered.

“ Keith worked for me for a short time and I saw quite a good opportunity for him to become crew cheif. He left a ever lasting impression on me. I cannot even think of one bad thing about him. He was always smiling even when things didn't go his way. I wish I had 10 more friends like him. I cannot say enough things about him to honor his presence while here with us. Keith will always be with me for encouragement.

“ Keith, my baby boy, you have no idea how much I miss you & what an empty place you have left behind in all that knew you. You were so sweet, kind & friendly. You helped me through some rough times & I tried to do the same for you. I truly hope you knew we were all there at the hospital with you the few days we had with you. Knowing part of you will live on helping somebody else with your organ donations helps ease the hurt just a little. I hope to meet the recipients someday to let them know what a wonderful, caring young man you were. I will never stop loving you or missing you & I think I can safely say the same goes for your brothers, sisters-in-law, aunts, uncles, nieces, nephews, Granny & Paw Paw & all of your many, many friends. You touched the lives of soooo many people.

You were a very special part of our family, our lives will never be the same without you. I hope there is a heaven & we will all get to see you again.

I love you very, very much & wish I had told you more often.
Love,
Mama

Mrs Alvey, my name is Brandon Doughty. I miss him more than words could say! He gave me an Australian coin in 2000 he had two of them. I to this day carry it in my wallet. I cherish it. He was the greatest friend I had ever had. That coin is my lucky coin. Just know I think about him everyday. I wish I could have made it to the hospital. The day I was coming I got a call from Brandon McCann saying he had passed. It killed me inside. I wish I could have met y'all. I truly loved your son as a brother. He was the life of the party. I will miss him everyday for the rest of my life. I just wanted you to know I keep a price of him with me everyday! I love you Keith. Miss you so very much brother.

“ Well, I will try this again. I started one and wasn't able to finish. I love you so much and miss you incredibly. I have so many regrets but my biggest is not answering the phone that night. I keep thinking what if I had answered the phone.... I know you would've turned around and ended up coming back home. I blame myself for this. Baby, I'm so sorry. I can't even erase the messages you left that night. I play them over and over again just to hear your voice. I wish I had the chance to tell you I love you atleast one more time everytime I listen to you telling me that you love me on my message. I hit repeat everytime it gets to that part. I love you with all my heart. Oh, just to let you know, I am still going to dye my hair for you and get the piercing. I finally got the pictures developed, yeah I know, it took a while. Stace said she'd get me copies of the other ones. I just want to sit here and go on and on. I went to see you today. That was the hardest thing to do. I just wanted to lay down next to you and stay there. Well I will end this now. I LOVE YOU FOREVER N ALWAYS!!!! I do know you know that finally we made sure that we said it enough. I will see you again in a couple days.
