“ *Charles & family I am truly sorry for the loss of your Arlin, Hold tight to memories for comfort, lean on your friends for strength and always remember how much you are cared about. May the love of those around you help you through the days ahead. Charles When I think of my loved ones that have gone on before me I sometimes sit outside and look up to the night sky seeing all the beautiful stars, I take comfort thinking that Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know that are happy & at peace.*
