“ *Always and forever you will be in my heart. You were the one person who gave me back the drive to live when my life was a battle I wasn't sure I'd survive. You gave me back hope and made me see that love existed. Our worlds kept us apart but you were always dear to me and Sage. Our prayers are with your family and Tater. Rest in peace dear Austin you are among the Angels now.*

“ *I will never forget how he just was that one person that if you needed him he was there, he made sure while me and him was in San Antonio tx, he been trying to get me back to winnsboro because I needed my truck and it had been 3 days of worrying about it that he comes over to me and said your be alright I'll make sure you get there and he packed all his thing gave his boss 60\$ and he and everyone working on that crew drove me to winnsboro non stop through some crazy weather to get me back and when I did get there he gives me hug and tells me that "now see I told you I never let you down " I see you around love ya and he went back to San Antonio for work the next day was late but got there. He keep me in high praise and never doubted he wasn't able to do that but a couple of wrong exits and little disagreements and no one trying to kick someone out of the truck he was the one that held all of us together. I will miss you Austin and I will see you again, love ya*

“ *This picture was typical for most summers UA boys on the water, fishing, swimming and haveing a blast. Austin and I were debating which one of us was gonna get tossed in the river and which one would remain to drink the others beer. Miss you bro a piece of me dies with you. You introduced me to my wife playing match maker and I have two beautiful kids because of you. You changed my life brother you will be sorely missed.*
