“ *Well I am lucky enough to be family, but if you weren't family, no worries, because she made you family! Always so welcoming, hospitable, warm and loving! And funny. Her giggle and smile was always so ever present. She brightened the room. I will miss her and will look for her light in all of our family gatherings. She was fun and sweet, real and strong. Something to aspire to be! What big shoes we have to fill!!!*
