“ *She was always there for her students. I had her several times a day and called her a mentor more than a teacher she taught us life's lessons and that everything had a perfect season- not just food. She will be dearly missed but she has also been reunited with those she loves. So I'll say it one more time just life before- Thanks Mrs. Fite for all you taught us and so much more!*

“ *Becky was my lunch buddy at Bryson for several years. She was an encouragement thru rough times and always a good listener. Becky connected with her students and was a great life influence for so many. She was also my Chinese food eating partner. I will miss my friend so much. Every time we met I would hear about you Jennifer and your kids and wonderful husband. And Peach, I loved hearing about your and Becky’s travel adventures. I am so saddened for your loss.*

“Loved getting to teach at Bryson with Mrs. Fite. She was an awesome teacher and my son, Tanner, still corrects my cooking and sewing with "that's not the way Mrs. Fite taught us". She was a blessing to Bryson ISD teachers and students.
