“ *Larry and family,*

Blake was such a sweet and loving person. He sure lived a full and happy life. He was always a joy to be around. I remember when your Mother was pregnant with Blake, often she would come over and Mother and I would go with her to Olney to her doctor appointments. When our parents would get together to play cards, I would rock Blake and give him his bottle, but didn't like changing his diaper. LOL!

Anytime I was around Blake, he always wanted to hold my hand, and tell me I was his sweetheart. Which I know he told all the ladies the same thing, we were all his girlfriends!

He will always have a special place in my heart as well as you and all of the family.

Love,

Janis Gilmore Rowe

“ Good by Blake. Ever since I was a little girl I've known you. The
Pierce kids will always hold a special place in their hearts for you.
Many of days would we trace back and forth to your house to jump
on the trampoline or play in the feed trough with you. Give you
sweet mama and daddy a big ole hug.
