“ *Betty's Family:*

Your Mother was a wonderful person.

Your Mother will always be Remembered.

Because she was so dear to you,

Her memory will live on,

Just as the fragrance of a rose

Still lingers when it's gone...

The Beauty that was hers alone

In thought is with you still,

And in the hearts that love her,

She still lives and always will.

With Deepest Sympathy,

The Carter's

“ Betty was so kind! She meant a lot to each of us at the Bowie office. Betty talked constantly of her children and the grandchildren, showing off pictures and bragging! We always talked about football, FFA, and her love of animals. She was the most positive person, and so supportive to all of us.
We will miss her so much!

“ Betty and I started working together April of 1991. She was a wonderful and caring person to all that she worked with. Betty enjoyed talking about her pets and family. She will be truly missed.

“ Just to let you all know, Betty was my friend, we both had Beauty Salons . You went with me to Austin twice when I applied for State job. I inspected your always clean salon, after you closed we lost touch, but I thought about you a lot. Love, Rita

“ Family/Friends,

Betty will always be remembered. I remember all the days that we worked and laughed together. I respected her and her memory will always live deep in my heart. I am so sorry for your loss and you will all be in my prayers, always.

Ms. Betty,

I will surely miss you. Your smile and grace could lighten any room and forever will be embedded in my memory. Thank you for being there, sometimes without knowing, and making my day brighter.

“ Tracey, I am so sorry to hear about your mom. I guess we are all
entering that stage of life when we begin to bury our parents. It
seems like only yesterday that we were having senior proms and
student council meetings. We really need to make a point of getting
together more often. Let me know if I can be of any help.

Love,
Doug

“ *In the 50's when we were all young, Betty was my beauty operator and friend.*

We were at her wedding. Those were very, very happy times. She was a caring, loving person which we will miss. We all have memories that will be with us forever.

Our loving thoughts are with you all.

“ *Lesla,
I'm thinking of you. If you need to talk please give me a call. I can sympathize, I know that doesn't ease the pain of loss.*

Sincerely,
