“ *Our tribute to the family of Dub and Betty Williamson. We have long time good memories as we think back the times when your children and our children were growing up. I never went to see them that I wasn't welcomed. There comes a time in all our lives, that we have to give up our loved ones, and as you said there is a better place after death, to those who know the Lord. There has been alot of suffering and anguish, and you children have always been there to help your parents if they were at home or hospital. You should have no regrets for you gave them your best.*

“ *Dearest Family,  
My heart is with you all. We all go way Back in time. Each one of you Sarah ,Lara,Billy, Mark &,Paul are very special to me.  
Betty is now with her beloved husband Dub.and with her sweet Jesus!  
It's hard to understand why people are taken from us, but find confort in knowing you were a special part of such a well-lived life. When the Lord calls our loved ones home, he leaves a gift of memories in exchange.  
My heart aches for you, I can not be there in person, but my heart is with each of you! I Love you all very much.*

“ *I loved Betty and remember how she helped and encouraged me, Barbara, when I was married the first time. I was so young and inexperienced and had a new baby, and she was the sweetest, kindest friend to me. I will miss her, as will Don. He liked both Betty and Dub and we enjoyed many pinochle games and visits with them through the years.*
