“ I think its safe to say with 100% assurance Beverly was one of the most amazing people that took time to know me and my boys. Her fight is an inspiration to all of us just living every day life. When I dont feel like going, get sick or just want to give up I can only think just how hard Beverly fought for life the same thing we take advantage of daily. Beverly never complained and never asked why me the only choice for her was to fight for every breathe. I know I will complain a lot less over the small things and embrace life Beverly you taught me that and I thank you for being my friend and my inspiration. Rest in Peace my dear friend.
