I was saddened to hear of your mother's passing. Beverly was a wonderful gracious woman. I remember her guidance in working in the school office in '79. Our thoughts and prayers are with you and all of the family.

“ *Beverly was such a sweet person. She was a true lady in every sense of the word. I have many fond memories of Beverly and her family. Vernon and my Dad were rural mail carriers together, we were neighbors on Richardson Street, and my brother and I attended school with John. Seems a bit sad that with the passing of Beverly, there will no longer be any of the Black family living in Jacksboro. Beverly will be missed by many; but by none as much as by her family. She truly loved and adored her family.*

“ I enjoyed visiting with Beverly every week when she would come in to get her hair done. She loved her sons and always told me about how proud of her family she was. She will be missed.
