“ I am Donnie Leatherwood. Beverly has been my stepmom since i was 6 years old, and she loved me and my siblings and took care of us just as if we were her own. I loved her as well and will think about her daily. She will always have a place in my heart and my memories. I remember her taking me to school my very first day of school and walked me to my classroom, and I chased her down the hall scared and crying, and didn't want her to go.
