“ *Hi,
I am so sorry that I could not get there. We tried everything we could think of but the weather did not cooperte. Mary, I know you will be okay with all your kids nearby and Aunt Jane to help you. As soon as the weather is better in the Spring, I will be down to see you. Until then know that you are in my prayers, and it breaks my heart not to be there.
Love, Rose*

“ Hi. Mom and I wanted to come but were unable. In fact Mom and my uncle, Charlie, had made a secret plan to leave town and call me from the road. But there is a big snow storm (39" in 24 hours) and driving is not safe.

Uncle Billie always made me smile, and he loved to kid around with us. I remember once when we were kids visiting his house on the Fourth of July. Uncle Billie gave us all fire crackers and sparklers. It was the first time I had fireworks and he showed me how to light them and use them.

My heart and love goes out to Aunt Mary and his sons -- Billy Leon, David, Edward and Michael. It is never easy to lose a father, but we must take comfort that he has moved to a better place.

Love,
Lynn

“ Dear Family, I am so sorry that we will not be there. You are in our thoughts and prayers. I loved the video tribute. All of those old pictures brought back such wonderful memories of when we were little kids and would come to Jacksboro to visit everyone. I always remember how much Daddy, Uncle Billie, Uncle Shorty and Uncle Jay loved to hide Easter eggs for us kids. They couldn't wait to show us where they were hidden. Remember all of the 42 games in Grannie's kitchen. All the guys loved to put one over on Mother. Didn't matter who won, as long as they could get a rise out of Mother. I really miss that bunch of guys. At least we will always have those memories. My love to all of you, Kristine
