

Billy Ted Jackson

February 2, 1947 - December 17, 2020

Billy Ted Jackson, 73, of Nocona, Texas met his Lord and Savior on December 17, 2020.

Billy was born February 2, 1947 in Jacksboro to Oscar and Vivian Jackson. Billy was a member of Shady Grove Church in Nocona Hills. Billy was a fine figure of a man, excellent hunter or so he said from the movie Jeremiah Johnson. He loved to play golf and watch westerns especially John Wayne and always considered himself to be Tom Selleck's twin. He loved to travel and was always up for an adventure and was ready to go at a moment's notice. He loved the mountains and would have rather been there than anywhere else. He loved his family and spent all of his time watching the grandkids do their activities. When he wasn't watching the kids, he was spending time with his "grand dogs" who kept him entertained. He spent his retirement time visiting with his lifelong friends from school who he cherished. Billy had Jackson Oilfield Construction with his dad and brother before he went into coaching and teaching. He retired from teaching at Bowie and finished his working career as a blackjack dealer at Winstar. He was best known as PawPaw and was known for telling PawPaw Bill stories.

Billy was preceded in death by his parents Oscar Jackson Jr. and Vivian Ruth Riggs Jackson, his wife Pamela Stephenson Jackson and his precious son Christopher Everett Jackson.

He is survived by his daughter and husband Nichole and Bryan Barrett of Nocona and their children Callie Schaffner and her husband Luke, Taylor and Katy, and grandson David Jackson and his wife Alexis and his mother Rachel of Stephenville.

“ So sorry to hear of Billy's passing and my condolences to the surviving family and friends.
He will be missed by the wonderful family and friends he leaves behind, he is at the same time joining wonderful people that preceded him. One thing I can say for certain is that he was never a selfish man with his time. He was always there for his family and friends. I remember many great times with the Jackson family and know that he would do anything he could for those he loved and probably even those he did not know.

“ *Going to miss you Coach! I can still hear you giving me the answer to one of life's questions followed by "but you already knew that" or saying Mr. Obregon when will you ever learn? (with your paddle resting on your shoulder). I know growing up I was a hand full but you always found the time to help a kid out. Shoot you even taught me to drive! RIP coach! Jackrabbits Forever. Love ya.*
