“My grandmother, Billye M. Stamper, has always been a strong role model and presence in my life. She was the best grandmother as she taught me to be independent, kind, and well-mannered. She also taught me to extend respect to others. She was kind, loving, and tenacious! I am so thankful to have had her for the first 42 years of my life! My heart hurts right now because I am just going to miss talking to her, and seeing her. She was always delighted to see me, and welcomed me and my family each time we stopped by Jacksboro to see her. I am so thankful that she is now in the presence of God with my grandfather, great-grandparents, and cousin. I am going to greatly miss her because I just loved her so very much! Wow! She was such an addition to all of our lives, and her community!

“I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.
