“ Mary & Brenda, I am so sorry to hear of your loss. Bobby was so sweet & kind. I never saw him when he didn't ask how I was doing & ask about my Daddy, Lanoy Jackson. Dad always spoke so highly of Bobby & he thought the world of him. When I lost Dad in 2015 & called Mary & Bobby to tell them, they were so kind to me & had such comforting words. I wish I could do the same for ya'll now & all the family & friends. It's such a hard time. One thing I do know is Bobby, Billy Ray, Daddy, & all of those that passed before are in Heaven right now catching up & having a joyous time together. That brings me comfort & I hope it does to all of you. We lost another one of a kind gentlemen & they just don't make them like our loved ones anymore. RIP Bobby

“ *Mary, Brenda and all the family, please know that you are in my thoughts and prayers as you say goodbye to this precious man, your husband and father and my special uncle. How I loved and admired him! I sincerely believe he was one of a kind, a man who held a place of honor and respect with all who knew him. He was kind, good, gentle, and yet was a symbol of quiet strength. I cannot recall ever hearing him say an unkind word about anyone, but more importantly, I have not ever heard a reproachful word spoken about him. What a legacy! He made the world a better place, and positively impacted the lives of everyone the light of his life touched. He was humble, and shared his gift of comforting and encouraging others. Simply being in his presence brought assurance. He cared. Meek and subdued on one hand, he was also witty and full of fun, original hilarious quotes and enjoyed a gift of amazing dry humor. He loved life and seemed to find great pleasure in doing his part to make sure everyone else did as well. Family members have commented about the joyous reunion in heaven with Grammy and Grandad, my dad, Gene and Billy Ray and others he loved when they welcomed Bobby home. He is resting in the arms of Jesus now. Heaven has gained a beautiful new angel and we have lost a precious person from our earthly midst. There is an empty seat at your family table, and there is a vacant place in the hearts of all of us who knew and loved him.*

“ Mary, Brenda, Sandy, & Sonya I'm so sorry for the loss of Bobby. He was a special, caring and gentle man. I have so many memories of all us kids growing up and listening to Bobby, Billy Ray, Hubert, and Daddy telling their stories. Many times they joked about someone starting a new business adventure and Bobby or Billy Ray would always comment "we talked about doing that, now look they went and done it, could of been us".  
I will miss him and know you guys will to. You are in my thoughts and prayers.
