“ I loved your Mom so much. We'd sit and talk in the break room and I learned a lot about her wonderful life. She talked about when she was a school teacher and how she would sit with the students and do art activities. She loved her students and she loved her work at Wal-Mart. I always knew when Ms. Bonnie was around cuz she loved her perfume. She's an Angel and I'll miss seeing her straightening the shelves in the fabric isle. Goodnight Ms.Bonnie.
