“ *I wish you hadnt left me with so many questions. Life is so much more confusing without you dad than it would've been with you. I don't want to be like you anymore. i don't know why your demons keep haunting me. Its been so long and i was so young.*

“ *The best dad a girl could ask for. So many memories.. my everything. Miss you every day. Forever and ever your babygirl no matter how old I get.... So thankful to have been raised by you and to be your first born. To have so much of you instilled in who I am and to walk in your memory daily. To love and have been loved by you is an experience impossible to put into words. Our life was. Our life. Our memories, like you said.*
