“ Many of us struggle to find, believe in, and continue faith with an all loving, all caring entity. Brenda was and is an exceptional example of God's love. She touched us all with her infectious laugh and her unending kindness. The virtues she possessed were capable of imparting an innocent and unassuming wisdom for those who listened and understood. Thank you Lord for all the precious time that you blessed us with in her presence. This is her time with you now. Her pain and suffering are gone; as ours are now peaking with her recent passing. But, in time, the faith that she held so dear will help the wounds to mend. The scar will remain, but hopefully only as a lasting reminder of the goodness she gave the world and the hope we should have in seeing her again one day.

Mark, God loves you. He will give you strength when you ask. Kate and I pray for you and her family.

You and Mark have been a true blessing to me. My boys loved you so and will miss you and the black berry jelly you gave them each year. I'll see you again when our Lord calls me home. Your my sister forever lots of love.

“ I am going to miss you my big sister, I don't know who will let me call them on the phone as much as you did. I know that you are full of energy now & in no more pain. We will look after Mark, he is just like a brother to Eddie & me. I will see you later in heaven when God calls me home. I will always love you!

“ *Brenda was such a loving person. She always went out of her way to welcome Family and Friends into her home. We will always remember all of the candies, etc, she made one year when we spent Christmas with her and Mark. She was a great cook! She did beautiful handwork and paintings. She made our Daughter a beautiful Wedding Dress!*
We loved it when she and Mark would go fishing with us off the Pontoon Boat. So much fun!!
She and Angy are in Heaven now together, smiling down on us. Our hearts go out to Mark, and Brenda's Family.

“ I will miss you sweet Brenda. You always made me laugh. I am so glad I met you and worked with you in two different places. I have fond memories of playing Bingo with you, going to Shreveport, and having lunches together. You always treated me like a sister! Love to Mark and the rest of the family! We know we will have wonderful new bodies in heaven. We know every moment we spend in our earthly bodies is time spent away from Jesus in Heaven! I will see you again my dear friend!
