The Tarleton State University Meats Team Alumni Association would like to extend our heartfelt condolences to the Hull family. Bret E. Hull was a beloved and active member of our association but above all a loyal and trustworthy friend to all who were fortunate to know him.

One of the core values of our association is to honor the gift of family and friends. Our door is always open to welcome those who have a passion for meat judging or simply just looking for a great group of friends to chat with. Bret was that person, his smile was infectious, his laugh unique and if you happen to be close enough to hear him speak, well he always had a great way of drawing people to him.

The Bret E. Hull Memorial Scholarship has been established to honor the legacy of our beloved member and support the passion he had for meat judging and Tarleton State University.

Y'all will be in my prayers and thoughts, and I've prayed that God will help you boys be strong for your momma. Your dad was so proud and always talking about you boys.
