*Brooks will be missed by many many people. Our hearts go out to all of his family. He told me one time that he had more lives than a cat and then told me all the times he had survived that he shouldn't have. I was amazed that someone could have went through the trials he had and still was here with on this earth. I told him that apparantly God wasn't done with him on this earth and just wasn't ready for him, he laughed and said Yes, I guess that's right! One thing is certain whatever his task on this earth was he finally finished it and now sees the beautiful face of our Heavenly Father. What a glorious day for him. Hugs to you all!*
