“ Momma Bennett was one of the most precious people I have ever known! I will always remember her having a smile on her face, laughter in her voice & heart! She always treated me with nothing but kindness & love! Heaven has gained another precious angel.

“ Mom - I'm going to miss you more than words can say. You were the best momma a girl could ask for. It's comforting to know that you are no longer in pain and you are with daddy and Meredith. Until we meet again.....I love you always, your baby girl...Dana
