“ *Carla and family,
My sympathy to you in the death of Mr. Roper. I hope the memorial
service is a strength to the family and a great honor to his memory.
Prayers for you during the many adjustments you must make.

“ *Your family is in my prayers. I spend many days under the pecan tree listening to stories while dad (Lewis) plowed, cut or baled hay. He always greeted me with a smile and a hug. I will always cherish his stories and our family history.*
