“ *I was very sorry to hear about the passing of Carol Ann. I don't remember much about her, but I do remember yall coming to visit us a few times when she was little. I know you are terribly upset at this time, but you can make it with the help of God. He will give you peace when you think you cannot go on. Just remember the good times. You have a lot of family and friends who love you. My thoughts and prayers are with you.*

“ I am so sorry to hear of your loss. I know your hearts are all so heavy right now, but we must know that God had this in his plan and he needed her more. She is finally home and will wait on you all. May Gods love and the love of family and friends comfort you at this difficult time.
