“ To Jeff, Tina and all the Hand fsmily.

We are still in South Texas in an RV park near Harlingen, Texas. I can to the library today to check on Jacksboro news. I was shocked. I knew the time had been predicted to be short for Carol, but guess I just didn't realize how soon. Youall should know without out telling you that we have and will continue to pray for youall. It is so GREAT that we have God who loves us so much and is always with us to help whether in happy or sad times. I don't have my glasses on so I am hoping that I can get this sent to youall. I had tried several times early in this day.

No more pain for your loved one. Isn't it great that God made us human being in this way, if we know the Lord as our personal Saviour. Will talk with you later when we get home.
