“ For the past year and a half, Carolyn has been participating in our bible study program. We felt as though she was a part of our spiritual family. She loved having the bible read to her when she was no longer able to read it herself. Many in our congregation had developed a close relationship with her and felt she was a very dear friend. We will miss her greatly. Our prayers go out to her family.
Sincerely,
Bowie Congregation of Jehovah's Witnesses

Carolyn was a wonderful person. She really appreciated the the encouragement we shared with her from her Bible. She strengthened those around her by her strong faith in the hope she believed in for a better future expressed in the Bible. She will be greatly missed.
