“ We were so saddened to hear of this great loss. Mom and Dad thought so much of Cary. Mom, Sue Ratliff, just mentioned last night how he was so much like Bennie right there with him all the time. Bennie our prayers are with you. God bless you and your family.

“ I met Cary when we started the 6th grade. He was always such a live wire. Wherever he was, there was something going to happen! Thanks for the memories, Cary.

“ *The many times that Cary and I spent together the past year, was filled with stories of his girls as they were growing up. He was so proud of them and loved them dearly. Blake was a very special part of Cary's stories as well, he loved him so much. They shared a great admiration for each other. Cary deeply loved his entire family. I will miss you my friend and always love you.*

“ *I've known Chuck, that's what I have always called him, all his life. And he was the best friend you could ask for. He was a kind of friend that would help you any time of day and never ask why or what it was about. We had more fun together than some couldn't imagine. I like many others will surely miss CHUCK.....*

“ *Dear Bennie and Family,*

May God provide you comfort at this time. Our thoughts and prayers are with you all. I remember many times when Cary would come to the farm with Lyndon, and Dad would let them run the tractor and what a good time we would all have just messing around. May your happy memories sustain you and give you peace. Love, Cathy and Richard
