“ Charlie always knew you and had a smile and an interesting story to tell you. He had a very kind and generous heart, I do not recall him ever saying a bad word about anyone. He was very proud of all his children and grandchildren, he loved to tell of their accomplishments. Charlie took great pride in his workmanship as a plumber. I could call him and there would not be any waiting 2 days or a week, he was right on it. I would have a fresh pot of coffee brewed when he would come out here to fix a plumbing problem, he would have a cup before starting the job and one afterwards. During the coffee breaks we would update each other on how the kids where doing. Once I had a clogged drain and I thought I could fix it myself, I bought a manual snake and of course I had to call Charlie and when I told him I got the snake hung in the line, he said " Donna stop stop what your doing right now stop it, do not try to get it out, you will have things so messed up even I will not be able to fix it. Charlie was out here in a short. and he was able to fix it. Great plumber, great man. I'm sure gonna miss Charlie.
