“ *Man, I have so many memories of/with you. My main memory of you though would have to be, the way you loved my nana, dad, uncle, and the rest of us. Not many men will step up and take on what you did, but you did. That was just the kind of man you were, hardworking, man of your word. Pop, yea, you were my "step grandpa" but my only grandpa. I didn't see it as step and neither did you. You didn't see any of us as step and you let that be known. I know you loved us all, no doubt. We all know that. Thank you, Pop for always being there for us all. We all truly are grateful and will cherish every last memory we had of/with you. Hug and kiss Nana for us all please. I'm sure she is one happy woman with you by her side again. ❤️ Rip. We love you. You will be greatly missed by this side of your family as well.*

“ It's has been the hardest month of my life, but I wouldn't have been anywhere else. I miss my sweet daddy so very much, already! And it's only been a few hours without you. I love with all of my heart, I love you yesterday, today and for eternity. I know you are free of pain and at peace. You fought such a strong fight, but you have always been strong, stronger than I think you even knew. I will miss our road trips, cookouts, and all of our talks. Those are memories that I will always cherish. I remember what a sweet and kind hearted man you were, so many wonderful memories that I will cherish foreve. My daddy, your one and only daughter and you are forever my best friend, daddy. You will be by many, but most of all by me, Jamie, your four grandchildren: Laramee, Ky, Trey, and Courtnie. As well as your nine great-grandchildren: Ryon, Blakelee, Trinity, Brentlee, Channing, Burkelee, Treyson, Kanyon and our Little Bluebonnet Angel, Kourtland; whom I know you have already held, and kissed for me, her Meeah. I know you had a wonderful reunion with Grandmother Bessie, Papaw Ross, and all of the other grandparents that have went before you. I bet it was a joyous occasion. I am a little jealous. But I know we will be together again one day, because that is what we are promised. You will always be my daddy and I will always be your daughter.

“ Poppa, there are lots of memories that I have of you when I was a little girl setting up @ the gas station with you & greating all your customers & going down to the creek & playing under the bridge. The memories that I will hold dear to my heart as an adult are setting & talking to you about work & how things were in the water & frac sand business were & most importantly are the relationships that you had with my children, who love you dearly. Channing always climbing in your lap & talking your ear off definitely warmed my heart more than you will ever know. That little girl thought the world of you, as did Ryon & Kanyon. Until we meet again. We love you!! RIP
