“ *I wish to extend deepest sympathy to Charles's family and hope precious memories will help carry you through this difficult time. No more pain or suffering; just a joyous reunion with those whom have passed before and more learning from our Heavenly Father. I did not know Charles as well as Richard, whom Buster considered his best friend, but do know he was a good man from a good family. May he rest in peace. (Pat Nicholson Brock Cayer)*

“ Charles was a special friend and a dedicated and loving PaPa to my precious Trey. He demonstrated the unbreakable bond between a great grandfather and grandson, and taught Trey about the outdoors, the joys of country life, about God and His plan for us. He taught the importance of the blessings of the simple things that bring happiness by words and example of a life well lived. To Trey and all of Charles' family: May He who knows your sorrow bring peace, comfort and healing to your soul. I care.

“ Charlie will be sorely missed by so many in Jack County. He was such a pioneer of the Jack County "gunsight" production and very respected by all of us in the industry. He had a gentle spirit that was never more witnessed than on one hot August day in 2006 when he helped us bury our dog, "Trooper" at our ranch. Only a good neighbor would help in such a significant way. Jack County has lost a very good man with the passing of Charlie Self.
