“Charlotte will forever be remembered for her long time friendship qualities and infectious laughter. Always going above and beyond to help others, she was there whenever anyone needed her. Her bright smile was a highlight in any room.

Also, Charlotte's love of animals was much apparent as she would capture strays and either try to find their homes, or find a good "forever" home in its place.

We will miss her.

“ *Dear Charlotte, goodbye to a good friend and the one who told me about the Admirals Club. I see on this page the designer dress you wore to the TDS Christmas Party. I was there with you. I also remember you drove your parents to California and Florida for reunions, a labor of love. Your family was blessed with a loving daughter, mother, and grandmother. You will be missed. I know you flew First Class, positive space to meet our Heavenly Father.*
