“ I first met Chasity when we moved to 25th st in Mineral Wells. We would met in the mornings and ride the bus together. One day I asked her how she got her hair so curly. That very night she taught me how and after that we would fix our hair and make-up and talk about boys. She was a very sweet person and will be missed.

God Bless

“ Chasity,

We were very lucky to have met you and your children when you came to visit us in Oklahoma. We went though alot those couple of weeks but I will never forget your smile and the look of such relief on your face when the doctors told us that lil Gracie was going to be fine! I could not imagine what you were going though at that time but I am glad Kenny and I were able to be there for you and give you a place to rest during that trying time in your life! I am also glad that you and I got a chance to share our birthday together and go shopping! I had an amazing time with you that day! I will hold dear the "Care Bear" flip flops you bought me! (a lil inside joke between you and I) You will be dearly missed my friend. My thoughts and prayers are with your family and friends. I pray that God will hold each and everyone of them in his arms and comfort them as the go through this lost of such a beautiful person! I am sorry we could not have spent more time together on this Earth my friend and that I never got to meet your husband and lil BryAnn like we had planned but my heart goes out to them both as well as Nate, Cammi and Gracie!~~love jamie

“ Though you were only in our lives a very short time, we loved you so very much! We are heartbroken to hear that the world has lost such a wonderful person my friend. You taught James and I so much in our short time knowing you here on this Earth and for that we are eternally grateful. We will miss and will be praying for your family. May God bless and be with your family as they go through the grief of losing such an awesome woman! Love you girl!
Love always and forever,
Linda

“ I remember the sleepovers and the church trips and am soooo saddened by this. The kids and husband - not fair. I can't imagine what they're going through and if I try then I just erupt into tears. The thoughts and prayers of me and my dad - Garry Key - are with you. I'm sure Monroe is hugging her tight as they are looking down together with her other two precious angels she never got to officially meet... I try to imagine that happy reunion rather than the tears being cried here. Jerry, if you need ANYTHING - call my dad.
