“ Joe, Phyllis and family,

We all lost a very, very special person, the last "mother of the Class of 1961". I will always cherish Homecoming 2014. I visited with her at the football game, received some very loving words of encouragement and loved that great big hug. It was a treasure to watch her face during the auction of her afghan; afterwards I got another big "good-by hug".

Our thoughts and prayers are with you during this difficult time. Even though we can't be with you in person, just know we are definitely there by your side.

*Love,
Kathy & Kenneth*

“ *Christine was like an adopted mother to me. Every time I came in she would make a point to come see me if she could. A truly wonderful lady that everyone will truly miss. that sweet smile and big hug she would give you. She treated me like I was one of her own children. I was lucky enough to have seen her two weeks ago; as she gave me great comfort in my time of need. I love you Christine and thank you for all of those years that I knew you. She raised a wonderful family; and my heart goes out to all of you.*

She will always have a place in my heart.

Love you,

“ Our family was blessed with so many special times and special moments with Christine and her children in the early years. Christine and mother would spend countless hours sewing at our house and my Dad loved to fix "the feast" for everyone. This sweet, kind, and giving friend will be greatly missed. May God's blessings be with you all during this sad time.
