“ One of the best memories I shared with Clara Mae was when she would make my sister and I a picnic and she would sit in her rocking chair outside with us as we all ate the sandwiches she made us.

“ *What a sweet person Clara Mae was. She was one of Greg's first customers, and I remember visiting with her in Bush Jewelry, Landon and I delivered Meals on Wheels to her (and Quila, her beloved chihuahua) for several years, then she she and mom were neighbors in the nursing home. Always loved talking with her and will miss her dearly* .

“ Clara Mea, you were the most honest caring person I ever meet in my life outside my mother. I have to give credit to Jimbo ❤️ Terrell for introducing me to his beloved Ernie. I knew right then you were in my life forever. You seemed to know right when you met me that I was gonna need you. You were an Angel to everyone you met and knew you. You had the biggest ole heart of anyone I ever knew and you never met a stranger. You taught me so much in life of how to be humble and to be able to give so much when you had nothing at all but the the clothes on your back. And you would take what you had and do with out if you thought it was gonna enrich someone else’s life. You would not let anyone go without. You were a treasure of Gold to me here on earth and I will cherished our memories of our life with my family. Clara Mea, you were like medicine to a lot of our broken souls! I needed you in my life and God knew it and I believe you needed me to. You always told me how you loved me so! I LOVE YOU! I will meet you one the other side of heaven to where you have flown to meet your mom and dad and my mom and dad to. Save me a seat right next to you and for the rest of my family to. ❤️🌸🌸🌸🌸🌸🌸❤️
