“ *My mother and father have always been my best friends, I feel great sadness at this time, but I also feel comfort in knowing that I will see my Mother again, in knowing that she is no longer suffering, and knowing that she loved us all very much. Our family is very blessed to have a strong bond between us, and to have my parents a part of all our lives.*

My father knows how each of us feels about him, and he knows how dedicated and loving my mom was.

She will be a part of us forever, each time we look at one of our children, grandchildren, or eachother.

Thank you Mom for being my friend....God bless you and Dad for all you have done.

And thank you to all of our friends and Family who show tribute to a very special couple and thier 58 years together...Tom and Clara Jump

“ *My Granny was one of the strongest and most loving people I have ever known. And though I feel as if I did not get to spend as much time as I would have liked to with her; I know she knows how much I love her and miss her! And that no matter how far apart we are in life/death she will always be right next to me.*
