“ Ray, your passing has left an emptiness within every life that you have ever touched and although we will all miss you terribly, we know deep down inside that you are no longer suffering and are now at peace.

*To Mama Carolyn and my sisters: You are more family to me than most of my own. I love each and every one of you. You are all in my thoughts and prayers and always in my heart!!! I love you all bunches and bunches and will always be here for you just as you have always been here for me.*

*Love Always, Anjo*
