“ I have known Clyde for many years and it has been a pleasure to be associated with him and his family. Clyde was always willing and eager to do anything ask of him in helping at the Lynn Creek Cemetery. He was always present at the board meetings and offered his opinion on the decisions to be made. He always talked about his family and was proud of them.
May God bless him and may God bless each member of his family.

“ Clyde and I have known each other all our lives through happy and sad times. His parents and my grandparents were best friends. We did a lot of horseback riding together when we were kids and as adults, even though we didn't see each other often we never ceased to find something to talk or "argue" about. He was a special person and I will miss him terribly. Rest well my dear friend. Shirley Cannon Holley
