“ *Ms Clydean*

You always lit up the room with your fun, sweet big heart. The day I met you I felt like I'd known you for a lifetime. You had so much love to give for everyone you met. My grandson will always remember playing on your piano when he was just a little boy. Heaven is so much brighter since you arrived. We will cherish our memories and will see you again when God calls us home. Till then, I love you sweet sweet beautiful friend. Prayers for Dickie and all the family.
