“ Coongravy was an awesome neighbor! He came over shortly after we moved in and he knew so many of our family members that by the time he left I felt as if I had known him my whole life! We didn't know his wife's name so we just called her Mrs. Gravy! I would have to say that living on Coongravy's street was my favorite place I have ever lived. He will be missed greatly by so many! Our thoughts and prayers are with “Mrs. Gravy” and the family during such a difficult time.

“ My name is Weldon Pender. Coongravy was a dear friend. He was a one of a kind, fella. He was a role model, for battling all the health matters that he did. I'm gonna miss, our visits. But he's not suffering now. He's with us now and forever. Always had a joke and a smile. Even when he felt bad as hell. What a trooper! My mother, Nan Hart, also spoke so highly of him. He was raised in the house just north of us. He remembered having to go out in the heat and now. He had one of those mowers where a cycle goes Round as you pushed it. He was truly mad at his Dad for making him do that. He's also gonna be missed by the gang of coffee drinkers. They were all so pissed when the Frog closed. He never met a stranger. When he would bring one of our meds to us, he always had treats for our dogs? When they saw him, they'd go bonkers! They new him. To the family, just know that we're kepping you in our thoughts and prayers. RIP. Gonna miss ya good buddy. You were always a breathe of fresh air.see you in the wind!
