“ We were so sorry to hear of the accident that took the life of Courtney. Although we have not seen her in years, we have fond memories of her when she was a little girl at Southwest Baptist Church. May God comfort your family during this time.

“ *hey sis i wish that it did not have to happen like this cause you was not only my sister but my bestfriend. It is going to be hard with out you cause you was always there to talk to. I am going to miss them times we acted stupid together and when you cheared me on during sports. Everyday that i go on i wish i was gone to but i am going to keep on living just for you. That night when i heard about what had happend i dropped to the floor. Now that you are gone i wish i could talk to you and find out the truth. I just wish i could have been there with you that night so i could have told you goodbye and that i loved you with all my heart. I know that you knew this but i well never forget all them things we did. Well i love you sis and i well miss you and when its my time you will welcome me home. My god be with you, the family and me.*
