“ Dale, we loved you and were blessed to have you as our friend. You were a joy and at the sametime a comforter when we needed someone to listen. I just wished we would have told you more how much we cared for you. Now you are gone and this is the only way we can tell you. Thanks for being such a good friend to us. We look forward to being with you in Heaven.

“ Gene & I have known Dale for many years. They used to tell stories about being on the "road" together. Dale was always interesting and did interesting things. He was a great story-teller and I loved listening to him. Dale was my protector when Gene had to be gone. He came by to check on me and became a close and trusted friend to me as well as Gene. He will be missed by us both. We pray that God give comfort to those who cared about him.

“ You grew up calling me "Brother" and it took me until recently to realize the value of that. I relish the memories of your truck driving stories, your absolute fearlessness and your love of puppy dogs, kitty cats, kids of all ages, and your always willingness to help those that needed help.

We never hugged or said "I love you" but I did and felt that it was reciprocal.

You leave a great void in my life.

Farewell, my Brother, I loved you.

“ Dale you always tried to be so hard, but the truth is you were a great big softy. Like the year the kids and I had no money for Christmas, no tree no nothing and I came home from work to find one you and Bubba had cut down and brought to us. It was the biggest tree We have ever had. And all the fun we had at The Village Kitchen. How about our jokes about SUPER TRUCKER!!!! Rest in Peace my friend and you and Bubba stay out of trouble

“ Dale, you will be missed dearly! You made us all laugh during hard times, and realize the hard truths in the worst times. You have always looked out for those you cared for from a distance, and we all know you will still be doing the same thing from now on.

“ Dale-
*I'm gonna miss your ornery, loving way. You always had a sparkle in your eye. I think it was mischief, but it was wonderful. You had a big heart, hidden inside a tough exterior.
We all love you and will so miss you.*

Rest in Peace,

Carla

“ *Dale and Jimmie were almost like brothers to each other. Dale has always been there for my children and me, and to lose Dale is like losing a member of my family. He and Jimmie could tell stories that could keep all of us laughing. I will miss Dale and his visits, but now I know he is in a better place. "Bunker" and "Bubba" are together again to tell stories and agitate each other. We love you, Dale,*
