“ I just want you all to know that in these difficult times my prayers and heart will be with all of you. Danny was a very good friend of my dads and I will always remember him being there for my dad (Boyce) when he was ill. My fondest memories of him were when I was a little girl and he chased me around the yard threatening to kiss me and I would just take off running. He was a great man and I will never forget him. My deepest sympathy goes out to all of you.

Sincerely,
Tammy Hart-Anderton

“ We will never forget our gregarious friend and auctioneer, Danny, and have missed him for years. He came to our rescue with car deals and also when our house burned in 1988. We lost all the furniture.. he helped us with a great deal of a house full of furniture, and he and Pam stayed up all night helping us move in to another house. good bye old friend.

“ We will never forget how caring Danny was. He came over one day and Ronnie was killing some pigs for a cookout. Well Danny could not stand it so he bought the only one still alive and took it home. Several months later he asked Ronnie if he wanted to buy that sow back as it was in his backyard. Danny was a very good friend and loving Son, Father, Husband and neighbor. He will be so missed and our prayers are with you. It's not how long you live but how well you live!

“ *What a crazy, fun, devoted man. Danny will always live on through the many, many stories people have to tell about him. Brandi, you referred to him as your friend, your mentor, and your entertainer. That is such a wonderful tribute. Pam, you were married to a wonderful man; he loved you dearly. And, Brandon, he was always so proud of you and Brandi. When we would see him, he was so proud to tell us what you were both up to. He talked about Chip like he was his father, not a father-in-law. And he was such a proud granddad. We love you all.*
