“ As always I find out about terrible things long after they happen. I am so sad to find out that Danny passed away. To all the family, my thoughts & prayers are with ya'll. I feel so old, I got to know Danny such a long time ago, back when we all were kids ourselves. When Trinidad was living with Danny & Sally, who took Trinidad in & treated him like family. I heard lots of stories from Trinidad, most so funny, things him & Danny had done. They both cracked me up. I know ya'll will miss Danny so very much, I will too. Danny, please tell Trinidad Hello from me, & I know ya'll are in Heaven having a good time again. It is so hard to understand why soo many of the Old Gang passed away way too young. I don't understand it, but then I guess we aren't supposed to. Again, to the family of Danny, the kids of Danny, please hang in there. RIP My Friend Sheila Jackson Nava

“ Sorry I've never been a very good communicator. What I'm going to do is try one more time. I was told Danny came home to die. I was told it would happen fast. I met a man that came home to live. Live he did every moment. He worked in the yard. Kept the bushes trimmed. Patched the driveway made certain of a lot of things. While being obviously sick and in pain. He didn't complain he stayed on top of everything. He had me HELP decorate his bedroom. He lived in every sense of the word. I was so glad and grateful. I PRAYED he would have good days. I PRAYED I'd do and be who and what Danny needed. I'm sorry I didn't attend the funeral. Yet again I'm not I want to remember him as he was. After his passing the weather seemed appropriate to me. Took a while before the sun came back out. Danny I miss u and thank you. Rest In Peace hope to join you again one fine day

“ I'm so grateful yet saddened to have known mr spitfire danny Kirk. I don't get real impressed by many folks. How ever Danny I did I put him n favorites! I don't know I was amazed surprised motivated. He simply taught me a few things I didn't know. He was my hero and he will remain N my heart as my hero. I was blessed to have gotten to spend time with him and Toby. I miss him and am saddened. I got a call from him on a Saturday THE Saturday before his funeral. He said he would call me back that afternoon. I said ok don't forget me. I knew he wouldn't. However he didn't call. I got to tell him for the first time that I love him and Toby. I am pretty sure he already knew that. Glad I said it and grateful to God to have had my time with him. I'm so sorry for your loss to his family. I'm sorry for my loss as well as the worlds loss. Not sure who has Toby but I know things that Danny wanted for Toby. I am available for Toby any time if I'm needed thank you
