

Darlene Bonner

January 13, 1943 - March 13, 2021

Darlene Bonner, born on January 13th, 1943 in Jacksboro, TX passed away on March 13th, 2021. She is preceded in death by her parents Wallace and Gladys Duncan. She is survived by beloved husband of 57 years, Ed Bonner, daughter Melanie Pizzey and her husband Dave Pizzey, daughter Tiffany Lipscomb and her husband Wendell Lipscomb, and grandson Zach Pizzey, his wife Amy and granddaughter Lauren Pizzey.

She received a bachelor's degree from the University of North Texas as well as her master's degree at Texas Woman's University Denton. Darlene was an English and French teacher and counselor during her 37 year career in secondary education. She also sponsored many of the high school organizations including National Honor Society, Student Council, the International Thespian Society and Nike Club. Darlene so enjoyed working with her students in directing dinner theatre and Senior Class plays.

After retirement from teaching at Jacksboro High School, she spent many years as an educational counselor at both the Jacksboro and Bridgeport state correctional facilities. She always wanted to make a difference by helping others and did both during her time in her pre and post retirement careers.

Darlene was very active in many organizations including Delta Kappa Gamma, the Jacksboro High School Ex Students Association, Business and

Professional Women, the University of North Texas Alumni Association and was a member of the Church of Christ. She was an avid sports fan and loved all our DFW area professional teams, especially the Dallas Cowboys. She was a huge supporter of the UNT Mean Green and enjoyed season tickets to the home football games in Denton.

A graveside memorial service will be held at Oakwood Cemetery in Jacksboro on March 19th at 3 pm. We understand that during a pandemic, in person ceremonies are a personal choice. Thoughts and prayers are appreciated. For more information on services, donations, etc., please visit the Coker Funeral Home website.

“Darlene was one of the first faculty members I met when I began my teaching career at JHS in 1978. We met as Darlene began unloading things for a concession stand that she was setting up for a scrimmage that night. I asked if she needed any help, thus beginning our years of setting up and working concession stands together, raising money for the annual Senior trip. We never watched a football game in the stands with the crowd, only from the concession stand. It was a lot of work, but working with Darlene was a lot of fun. We spent many nights working together on Senior activities, even into the wee hours, getting things ready for Senior Assembly, Graduation, typing programs, and scheduling the Senior trip. We even burned up the copy machine in the administration building in the middle of the night. Thank goodness we had finished our job, so we put an Out of Order sign on the copier, and left. Darlene was like the energizer bunny, she kept going, and going, and going.

Darlene was an excellent teacher, mentor, and friend. She will be greatly missed. I feel blessed to have worked with her at JHS. To the Bonner family, I am sorry for your loss.

“ I didn't know how lucky I was going to be when my family met Eddie and Darlene through Gladys Duncan at church, in 1963. Eddie was shy and Darlene could give you the biggest hug without even touching you. Knowing Darlene through high school was the reason I finally went to college at 22 and after reading the tribute wall, she inspired a LOT of her students and others to live their best lives.

I thanked her many times for the efforts she bestowed on my behalf. She will live on for years in our hearts. Even though I haven't seen her in many years, her death has had a profound effect on me. Heavenly Father, Darlene is rejoicing being with family and friends in heaven. I will see you when the Father calls me home.

Lots of love to the family of Darlene.

“ How does one begin to describe a woman who has meant to so much to so many? Mrs. Bonner was the epitome of what an educator should be.....intelligent, kind, supportive, and always encouraging. The JHS Class of '76 had a particularly strong bond with Mrs. Bonner as our bicentennial senior trip took us to Washington D.C., Boston, Philadelphia and beyond. As freshmen, we told her we wanted to take this gargantuan trip, and rather than discouraging the idea, she instead insisted that we begin raising money immediately. It turned out to be a trip of a lifetime. Mrs. Bonner taught English like no other! And the same was true for her French classes. Her leadership skills spilled over into her Student Council members, Nike Members, and National Honor Society members. During my sophomore year, our Student Council decided we wanted to run for a state office. While contemplating which office we should run for, in typical “Darlene Bonner fashion,” she said, “President, of course.” She always pushed her students to exceedingly high standards and we all loved her dearly for it. JHS was so very lucky to have had Darlene Bonner, and I consider myself to have been one of the luckiest ones to call her not only teacher but friend as well.

“ The sweet lady Darlene Bonner, “was an inspiring figure in the Texas Association of Student Councils in the 1970’s and 80’s. Always the cheerleader for her students at JHS, SHE VOLUNTEERED TO HOST THE ANNUAL CONFERENCE, using this as an opportunity to show the many, MANY talents of her precious Jacksborough students. After the show was running over by 20 minutes or so, I frowned at Mrs. Bonner, shook my head. She, came over, took my hand, smiled, and said it would be okay. Some 30 minutes later Darlene came up, apologized, and explained, “I just couldn’t deny any group the opportunity to perform.”
Darlene and Ed Bonner were revered by many of us in TASC for their love of students and student council. My she Rest In Peace.

“ I have so many fond memories of times shared as a fellow teacher at Jacksboro High School. She was an outstanding teacher, loved by her students and respected by her teaching peers. When I think of Darlene, I remember the birth of the Dinner Theatre. Mrs. Crawford had the idea and ask if I would help and of course we recruited Darlene to produce the play. It was a success and followed. by several more years of bringing the best to the community. Everyone wanted to be a part of production---teachers and students. She was inspiration. I feel so blessed to have taught with her for many years. She touched many lives. Carol MacDonald

Your mom was such an inspiration to me. She remains my favorite teacher of all time, and she remains one of my favorite humans. In school, she encouraged and challenged me to follow my passion for writing. To this day, I don't write a sentence without wondering if Mrs. Bonner would find it grammatically correct. I'm obsessed with punctuation and spelling and know she's frowning upon what I'm writing right now (I'm sure I missed a comma or semicolon somewhere). She was always available for us students to listen, motivate, and assure us that everything would be OK. Please accept my deepest condolences and know that all of you are loved and admired. May your many memories of Mrs. Bonner sustain you, and may God's grace comfort you during this time.

“ So sorry to hear about Mrs. Bonner. She was such a sweet teacher. She taught many students, seven in our family, preparing us for our future after high school. Many of us will miss her. Prayers and thoughts for the family.

What wonderful memories I have of Mrs. Bonner. She was my teacher, mentor, colleague and friend. I will be forever grateful to have known her and for my daughter to have also benefited from having her as a counselor and Student Council sponsor. She touched so many lives.
