“ *To the Conner family:
We know that a death of a loved one is difficult for all. We knew that Dick was very ill. He is not suffering any more. Now he is resting awaiting a time when God will remember him and he will be resurrected back to the earth. Then the earth will be a paradise. We have known Ned and Darlene Conner Salsbury for many years. Just remember that our hope of seeing your father back in the resurrection will be a day of pure joy. Then we will not have to worry about sickness or death ever again.*
