“ So very sad to hear the news about your father. It is so hard to accept not having them around anymore. No matter how old you are, you're still his little girl. Laughing together and teasing will be missed by all. Skies, I've been in your shoes, and sweet memories you've made in the past will continue to keep a smile on your face for years to come. It sounds like we both should be so thankful that our Lord blessed us with loving fathers.

God bless you and all the family he left behind.

“ *David and I had been friends since 10th grade. He always was smiling! I could go on and on but too many memories to post on here. He loved his family and friends deeply. He helped so many people. Im so glad I got to visit him just days before he passed. We even had a good laugh! I will miss you Dave!*

“ *I have such wonderful memories of David and I growing up. One of my favorite is the summer I spent with him and the family in Jacksboro. I think we were around 12 or so. I'm sure his friends thought it was strange that he had a girl cousin that could do what the boys did. I can't remember ever having a disagreement between us. We enjoyed being together. I was such a tom-boy then. We were always thinking of ways to make some money. We mowed yards all over the neighborhood. We would split the money and go to the store for a drink and some candy, but always saved some money so we could go to the drive-in movie or do something fun. Sweet childhood memories with my sweet cousin. Rest in peace David. I know you leave a sweet family behind. Love you always, your cousin Debbie.*
