“ My big sissy. I will love and miss you forever and ever. I will always remember when you started singing "whatcha gon do wit all that junk inside your trunk." You are my hero and most of all my soul. I don't know how I am going to get thru this but I do know GOD is all around me because of you. My inspiration and my faith are because of you. I love you to heaven and back forever and ever and ever.
