“ *We were blessed to be part of Derek's life for five years! I treasured every moment that I got to spend with him and he touched my heart every day! I know he and Jesus are having fun right now and he is able to do things he never has done before and he is getting ready for Ms. Wade and me so he can tell us all the things he wanted to say to us all these years! Ron, Robin and Family our thoughts and prayers are with you all at this time and we know God will give you the strength that you need at this time.*
