“ I am so very sorry. I am only in Jacksboro every few months for an hour or so and I did not know until I saw a facebook note and pictures today. She looked beautiful in the pictures. I so wish I could have seen Diana. She has made my day many many days. She was a special friend to me and I will never forget her and the times we have had working together. She will be missed tremendously and was precious to me. Diana had a sweet spirit and a level head.

“ I'm very sorry to the family. She was a great mother and grandma to everybody in her family. I hope for the best to everybody that loved her. I'm sad that she is gone but I will always remember her. She raised the closest one i know, Melissa Brock very well to be a great mother like her mother wanted her to. I hope for the best. For the least amount of time I knew her she treated me like her own grandchild. I love her and will miss her. Love, J.P.

“ I am truly at a loss for words. Diana was the most sweetest and caring lady I have ever been blessed to have known. She treated me as if I was one of her own children. It was just Friday, October 15th-a little over a week ago, that I was standing in her kitchen helping her make her "pre-cooked" bacon sandwich. :) I laughed everytime I listened to her and Melissa talk. When Melissa would say something funny, Diana would look at her and say "Ohhh Melissa". You could tell they were the best of friends... Diana~you will be greatly missed. May God Bless the family with much strength through this difficult time.

“ Beautiful lady, great human being. Diana was obviously a spectacular mother, you can see a fine example of her work in her daughter, Melissa. If you were ever lucky enough to see those two together you were usually breathless from laughing. You could not help but be touched by the love and devotion they shared. Diana will be greatly missed but she will never be forgotten by anyone who ever met her. The pain of losing her will eventually lessen but the loving memories remain. Until we meet again, Diana.

“ We are so sorry for the lost of Diana. I have know her when we went to school at Antelope. She had such a beautiful smile and dimples. She was my sister in law for a short time but we were close. She was so sweet. I always gave her hugs everytime I saw her. My mother use to keep LaDonna, David and Terri (Faye Hadderton). She loved Diana so much. She would come visit my mother at the apartments. She was one of those special people whom you meet in life and dont forget.
Love and God Bless to all the family.
